LIKE THE ENERGIZER BUNNY

GROWING & GROWING & GROWING

Most of you have probably heard, we now have 2200 acres in Barbour County. It is surrounded on 3 sides by the management area and the rules will follow that counties specific harvest rules.

We have also added 730 acres in Russell County. This track will be called 'Anna D' and is bordered on 3 sides by Oochee creek, 8 Foot Ditch, & Marango creek & has 20 established food plots. Maps for all properties will be available at our September 2nd cookout.

WATER – ON/OFF

Camp water **MOST** be turned off at every shut off before leaving camp. No water is to left on. Every leak cost the club money we could use elsewhere.

Let's Get Together

Our next club cookout is scheduled for the evening of September 2, 2006. Hotdogs and all the fixings are planned. At the request of several members, we are asking you to again bring your ice-cream freezer and your favorite recipe. The cookout will follow our first workday of the season. This is very important, as we will be discussing what we need and want to accomplish during the remainder of our workdays. It is very important to be at this cookout to express your opinions, volunteer services and most of all, fill your belly and soul with good food and a great time. Maps of all properties and t-shirts will be available.

Attention All Members

There is a proposed bill in the Alabama Legislature for a sales tax on all hunting dues, camps & leases. If passed, this will add an additional 4% to everyone. We need every member to call _____ or _____ and express your unfavorable opinion of this bill. A meeting is scheduled for October 8, 2006 in Montgomery, Al.

Elmhat.com

If you have not seen it yet, check out our web site. You will always be able to find information, important dates, upcoming events and current/archived copies of the Gazette. We are still under construction on the Kid's Corner pages. Now that school is out and there are no more test to study for, we are hoping that some of our young members will have the time to submit his/her story. We would like for parent's to submit stories about youth hunts, or just good old quality time in the great outdoors with their children. Please, as soon as you have a minute, sit down and send in your stories to elvis@elmhat.com. There is nothing better than to hear a child's side of their day in the woods with Mom/Dad.

Also, if you have pictures of you and your turkey or even of last years deer season, send them in. It is the best way to show off your harvest and the wonderful club you are a part of.

A big thank you goes out to those who have sent in pictures for the web site. It would not be possible with out the help and support from our members. And remember to keep a check on the web site for

new information. You never know what you might find.

Don't Forget

Make plans now to attend the first annual Elm-Hat run. Bring your family and an appetite, you are sure to have a great time.

Things to bring:

- ✓ 4 Wheeler
- ✓ Cooler, drinks, bug spray
